Went to post at 2:09. At post 3 minutes. Start good. Won easily; second driving. My Queen quickly opened up a winning gap and had things all her own way throughout. Olonetz ran his race and had no mishaps, finished fast and outgamed Little Emmy in the final drive. The latter finished well and showed improvement. The Loop showed speed, but tired in the stretch run. So did Prince Light. Sanctissima ran a bad race.

Winner—Br. or blk. m, by Prince of Monaco—Nellie Whittaker (trained by J. B. Jones).
Went to post at 2:38. At post 2 minutes. Start bad. Won easily; second the same. Dynasty began slowly, but came with a rush when straightened for home and, after disposing of Harlem Lane, came away without trouble. One More ran the best race, was off all tangled up, but closed a big gap and finished fast. Eva's Darling was carried wide when turning for home, but came again and outgamed Harlem Lane at the finish. The latter tired as usual. Miriam W. showed early speed.
Scratched—42740 Fugurtha, 93; 42200 Goody Twoshoes, 93.
Overweights—Ben Frost, 3 pounds.

Winner—B. c, by Orsini—The Proof (trained by J. Paul, Jr.).
Went to post at 3:01. At post 2 minutes. Start good. Won driving; second easily. Proof Reader is a good colt and was by far the best. He was away all tangled up and was thrown back at the start, but went all around his field, wore down the leaders and outstayed Jack Rattlin in the final drive. The latter was well ridden, ran a good race and finished gamely. Ben Adkins showed the most early speed, but his early efforts caused him to tire. Commodore ran well to the stretch, then tired. Ed Tierney can do better.
Scratched—42720 Thane, 107; 42743 Neversuch, 105; (42741) Judge Denton, 94; 42647 Little Boy, 90; 42759 Armorer, 80.

Went to post at 3:26. At post 1 minute. Start good. Won easily; second the same. The Goldfinder stole away from the others at the start, soon opened up a winning gap and they never could get near him. Jim Hale did his best throughout. Arachne was never a contender and her race was by no means to her true form.

Went to post at 3:52. At post 2 minutes. Start good. Won easily; second the same. Joe Ross showed wonderful improvement over his recent races and seems to like a route. He came with a rush through the stretch and was going away at the finish. Hobson's Choice ran to his best form. Segraves hung on longer than usual, but tired in the final furlong. Ruth Parrish was never a contender. Kern showed early speed, but tired. Bugle Horn and Trovator can do better.

Winner—Ch. g, by Azra—Princess Annie (trained by W. H. Robinson).
Went to post at 4:16. At post 2 minutes. Start good. Won handily; second the same. Benmora showed the most speed throughout, but had to be hustled along at the end to stall off Alfred C. The latter came fast in the stretch run, but fell lame and pulled up on three legs. First Attempt was almost left, her rider being caught unprepared on her at the start, but closed a big gap and finished fast. Miss Aubrey ran her race. Lovable made up ground. Sly Boots ran well to the stretch.

Winner—Ch. c, by King Eric—Tea's Over (trained by E. Wishard).
Went to post at 2:00. At post 1 minute. Start poor. Won easily; second driving. Ort Wells was easily the best at the weights, won with plenty to spare and is probably a better colt than he has shown. Champlain showed improvement and ran a fine race, finishing fast under the whip after he seemed to be beaten. Sais made a bold effort when a furlong from home, but tired in the final drive. Orthodox's performance was a poor one, much below his true form. Singing Girl had no chance at the start.

Winner—B. c, by Hastings—Lady Violet (trained by J. D. Adkins).
Went to post at 2:30. At post 3 minutes. Start good. Won handily; second driving. Lord of the Valley and Monster outbroke the others and had the race between them all the way. Lord of the Valley outlasting the other and drew away in the final furlong when Wonderly shook him up, is a good colt and improves with each race. Monster developed speed with a rush and his race was a big improvement, but he was tiring fast at the end. Graziallo began slowly, but made up a lot of ground and finished fast. Jocund ran in next to the rail all the way and saved ground, but could not get up, running a poor race. Silver Dream ran below her true form and was never dangerous. Oriskany ran well for nearly five furlongs.
Scratched—42807 Orthodox, 112; (42369) Bobadil, 112; 42807 Champlain, 112; (42753) Alforten, 112; 42756 Robin Hood, 109.

 Winner—Ch. c. by Pirate of Penzance—Harebell (trained by J. McCormick).
 Went to post at 2:55. At post 3 minutes. Start good. Won easily; second the same.
 River Pirate is at his best at present, ran under restraint for the first half and opened up a gap when turning out of the backstretch, which the others could not overcome and won easily. April Shower came fast in the stretch under a drive, but had no chance to beat the winner. Wild Thyme began slowly and lost ground at the start, but closed a big gap and made a determined effort when a furlong from home, then tired when it came to a hard drive. Ilyria ran a good race for nearly seven furlongs, then tired. Lux Casta was pinched out on the turn into the stretch and was pulled up at the end.

 Winner—B. f. by Hamburg—Goutte d'Or (trained by J. E. Madden).
 Went to post at 3:25. At post 2 minutes. Start good. Won easily; second the same.
 Golden Drop is in fine form at present, showed plenty of speed and easily outstayed Clear the Arena in the last hundred yards. Burns had to ride her hard to get clear, but she won going away at the finish. Clear the Arena was a contender throughout and finished gamely. Briarthorpe closed up fast in the stretch and finished resolutely, but could not get up. Woodshade was under restraint in the first part of the race, but fell away when called on and probably was a trifle short. Colleen Bawn was a sharp contender for five furlongs. Mimon showed speed to the stretch. It was a poor race for Sweet Tone.

Scratched—42640 Longspur, 105; (42712)Sourire, 105.

 Winner—B. or br. c. by Top Gallant—La Creole (trained by H. T. Griffin).
 Went to post at 3:50. At post 2 minutes. Start good. Won easily; second handily.
 Trepan was easily the best at the weights, came fast through the stretch and was going away at the end. The Guardsman, crowded at the start, made up a big gap and finished fast and gamely. Arden showed speed, but was all out and driving at the end to stall off Hyland. The latter ran well and would probably have been second with a stronger rider. McWilliams is rounding to, came wide into the stretch and was eased up in the last few strides. Moderator and Meistersinger were much used in the early racing and tired badly.
 Scratched—42651 H. L. Coleman, 107; 42775 Hoodwink, 104.
 Overweights—Pass Book, 2 pounds; Hot, 1.

 Winner—B. g. by Stuyvesant—Garnet (trained by T. J. Healy).
 Went to post at 4:15. At post 2 minutes. Start good. Won easily; second driving.
 Carbuncle is in grand form at present, ran under restraint to the stretch, where he readily went to the front and had much to spare at the end. Tribes Hill came very fast at the end under a hand ride. Masterman was a sharp contender to the last furlong, when he tired and was quitting fast at the end and Circus would have been third in two more strides. Arrah Gowan and H. L. Coleman showed speed, but they were made too much use of and tired. Mabel Richardson seems to have gone back. Circus showed improvement.
 Scratched—42793 Lord Badge, 100; 42752 Highlander, 97; 42809 April Shower, 96; 42811 McWilliams, 92.
 Overweights—Arrah Gowan, 3 pounds.

 Winner—Ch. f. by Nephew—Lillie M. (trained by G. March).
 Went to post at 2:13. At post 1 minute. Start bad. Won handily; second easily. Alta G., lucky at the start and lightly weighted, held a forward position to the stretch, where she drew to the front like a flash and won with something in reserve. Flourish improved his position steadily and at the end finished going fast under a poor ride. Foul Play displayed plenty of early speed, but failed to stay. Toto Gratiot fell out of serious contention in the early running, but made up ground in the stretch run. Past Master was nearly left and closed a big gap. Amasa quit early. Nullah, practically left, gained ten lengths on the leaders and finished easing up. Cherries was unable to stride freely in the going.
 Corrected weights—Toto Gratiot, 102; Cherries, 106.
 Overweights—Flourish, 4 pounds; Merwan, 4; Cherries, 2; Martin Brady, 1.

 Went to post at 2:35. At post 5 minutes. Start good. Won easily; second the same.
 Dorice, skillfully handled and lucky at the start, decisively outpaced and outstayed her field throughout. Anirad was the only serious contender and ran a fast and game race. Metlakatla closed up fast in the stretch run and just got up in time to save third place. Durbar, on the inside and a slow beginner, lost much ground at the start and was gaining rapidly on her field in the stretch. Avenger ran on the inside throughout and in close quarters to the stretch, where he came with a belated rush. The Cure developed a lot of speed and finished close up, but was tiring in the closing strides. Miss Ringlets will do better in longer races and on a good track.

 Went to post at 3:15. At post 1 minute. Start bad. Won in a canter; second driving.
 Matt Hogan was very fit, beat the barrier and won all the way hard held and far out-classed the field. Berendos was the only serious contender, but a distant one throughout and was nearly caught napping at the end for second place. Laureatea ran within hailing distance from the start and finished with a rush. Saintly made up a lot of ground after being nearly left at the post. Little Margaret was overweighted and disliked the going and can do much better on a fast track.

 Winner—Ch. g. by Miracle—Annie L., by Startle (trained by J. Curl).
 Went to post at 3:35. At post 3 minutes. Start bad. Won driving; second easily.
 Miracle II. fell out of the early running, but began to gain rapidly on the far turn and, finishing fast, wore C. B. Campbell down at the end. C. B. Campbell forced a stiff pace from the start and was probably unlucky to lose, as Foley appeared to be caught napping in the closing strides. Horton, all but left, trailed many lengths behind the field, moving up with a meteoric rush on the far turn, but went hopelessly wide, losing a half dozen lengths, which told in the final drive, where he tired. He was much the best and very badly ridden. Rosarie finished a respectable fourth, but can do better. Chileno went well for six furlongs. Harry Thatcher, always a useful horse in this going, showed speed and was evidently short.

 Canejo, suddenly improved, practically forced the pace from the start, coming away decisively at the half and won away off as if much the best. Galanthus was lucky and had clear sailing, but was inadequately handled and loafed throughout, but caught Loyal S. tiring at the end and got up for second place in the last stride. The latter showed a lot of speed and stamina in this race and is an improved horse. Myrtle H. finished well, running an unexpectedly good race. Rollick, away flatfooted and crowded at the start, lacked in speed and was never dangerous. Rose of May went well for five furlongs and was probably short.

 Ben Mac Dhui indulged Oro Viva with a brief lead, going to the front on the backstretch and cantering the remainder of the journey and is a high-class horse in his present form. Byron Rose, nearly left and incapably handled, trailed far in the rear to the stretch, where he closed up like a flash and was much the best of the others. Arcade held a forward position for six furlongs, tiring in the run home as if short, is a good looker and will make good. Bill Massie was unable to raise a respectable gallop today and ran a very bad race. Oro Viva likes this going and ran a fast five furlongs, tired and was short.

ADVANCE GUARD.

Despite careful and persistent efforts to get Advance Guard into condition for racing, he could not be brought to the post this year and it is more than probable that the stout-hearted son of Great Tom and Nellie Van will never race again. He was a wonderful campaigner, a stayer and a weight carrier of high degree. His first start was at Aqueduct, April 17, 1899, and from that time on to the close of last year he was constantly in training and a public favorite wherever he was raced. In the course of his career he started in 162 races, of which he won 49, was second in 39, third in 28 and unplaced in 45. His record:

Year.	1st.	2nd.	3rd.	Unpl.	Won.

GOSSIP OF THE TURF.

While the stake events of the spring meeting of Latonia stand a good chance of having their value increased, it is as good as settled that the value of purses will be increased, and that there will be more handicaps at a value of \$600 or more put on the program, says the Commercial Tribune of Wednesday. President Perkins said yesterday: "Our spring meetings are never a great success from a financial standpoint. We have to rely on our fall meetings to tide us over from year to year. I am in favor of increasing the value of purses and putting more handicaps and high-class purses on the program. I would also like to increase the value of the stakes, but I hardly think that we can see our way through it just yet. It may be done, however, but there will be nothing definitely decided on until I go over these matters with Secretary Hopper."

At the meeting of the stewards of the Ontario Jockey Club, which was held last week, it was decided to hold the spring meeting between the same dates that have heretofore marked the running of races on the Toronto racetrack. There will be thirteen days of racing, from Saturday, May 21, to Saturday, June 4, inclusive. This will give the Toronto track three Saturdays and

Victoria Day, which is a Canadian holiday. Considering the fact that the race for the King's Plate, the most important stake for Canadian bred horses, of all the races run in Canada, is always set for Victoria Day, and that this race has been run for over forty years without interruption, it would be impossible for the Ontario Jockey Club to live up to its traditions and hold its meeting at any other time.

News has reached Gravesend that Hermis and Lady Amelia, of the E. R. Thomas string, have reached their winter quarters at Alex Shields' Bound Brook Farm safely. "With the last shipment to Bound Brook everything racing in the Thomas colors, with the exception of those engaged at Bennings, have been retired for the winter. At the close of the meeting at Bennings the others will be sent on to the farm, and all the cold weather development will go on there."

S. C. Hildreth's division of runners that will race through the hundred-day meet at New Orleans left their quarters at Montgomery Park Wednesday morning, and were shipped on the express to the Crescent City. Several members of the string have been benefited by a long rest, and all are in good racing condition to judge by their recent work over the Montgomery Park course. Eleven head were shipped, and Hildreth expects to capture his share of the stakes with the following: Witfull, Delagoa, Myron Dale, Potheen, Favonius, St. Marcos, Floyd K., Topsoil and By Ways.

E. E. Smathers will recall all of his western string before the end of the present week. He has ordered Grand Opera, Stevedore, Dick Bernard and Witchcraft to be shipped at once to Frank Taylor, Smathers' eastern trainer, who also has charge of McChesney. The Smathers horses at Memphis will be sent to Brighton Beach Saturday.

The fact that Mrs. W. S. Barnes intends to revive the Melbourne Stud, made famous by her husband, Col. W. S. Barnes, who on account of failing health was unable to attend to his breeding business, forcing him to make an assignment, was brought out at the close of the dispersal sale of the Melbourne Stud when she bought the stallions Prince of Monaco, Jim Gore and Rainbow.

She also had a number of friends during the sale buy for her a number of yearlings and young broodmares that will remain at the farm. It is the intention of Colonel and Mrs. Barnes to travel in the west for some months, in the hope that he will regain his health, returning to Kentucky and resuming the famous breeding establishment in a few years.

Trainer Fletcher Driver worked the yearling chestnut filly by Goodrich—Volma, by Volante, three-eighths of a mile over T. C. McDowell's track at Ashland last Tuesday in 36½, the filly having the crusher of 127 pounds up. Volma, the dam of this youngster, is a half sister to Perry Belmont's great horse, Ethelbert. The filly is owned by bookmaker W. E. Applegate, and she has many valuable future engagements.

Ben Falk was among the newcomers at Latonia last Tuesday. He arrived there from Savannah, where a ten-day race meeting closed on Saturday last. "We had some excellent racing on the Georgia circuit this year," said Falk. "In all we gave thirty days' racing, and the meetings at Macon, Atlanta and Savannah were well attended. Fred Gerhardt, who acted as starter, did excellent work with the flag, while J. W. Russwurm made a fair and impartial judge. The racing was clean, and it was not so easy a matter to win as some people imagine. There was a three-year-old down there called Talley H., which was quite a sprinter. He could pack up 125 pounds and run six furlongs over a half mile track in 1:15. Talley H. can win at any track in the country. The track at Savannah is an ideal one for winter racing. The nature of the soil is sandy, and it is surprising how quick the track dries out after a rain. If there is to be another winter track in the south, Savannah is the place to build it."

Secretary Sheridan Clark arrived at New Orleans from New York Monday morning with a considerable list of eastern entries to the stakes of the Crescent City Jockey Club. Mr. Clark states that the nominations when they are all in will exceed 2,000, which is the best possible guarantee that there will be an abundance of horses there for the winter meeting. When Mr. Clark left New York

he was advised that the following strings would be shipped from there to New Orleans: A. Zimmer, 14 head; O. L. Richards, H. T. Griffin, M. L. Hayman, A. J. Plicque and A. Simons, one car each, and F. Kelly and W. Hueston, one car. About seventy horses will be included in this shipment. The following Mr. Clark states will ship from Washington at the close of the Bennings meeting: A. C. McCafferty, 5; J. W. Pangle, 6; M. T. Danaher, 10; J. J. Mackessey, 5; P. M. Civill, 5; Lew Elmore, 6; A. Featherstone, 10; Mannix & Midgely, 23; Myers & Schafer, 20; A. L. Aste, 6; E. A. Steeds, 6; W. C. Daly, 8; J. E. Madden, 10; Jule Garson, 5; Ed Heffner, 5; C. Cochrane, 4. Garson will have charge of his own, Madden's lot, and a few belonging to Joe Ullman. Altogether Mr. Clark expects that 300 horses will be sent from eastern tracks. More than 400 are now quartered at the track. From 250 to 300 are expected from Latonia, so that there should be at least 1,000 horses on hand when the bugle calls to post on Thanksgiving Day. Ten or twelve books are expected from the east, and present calculations are that about twenty-five bookmakers will draw in on the opening day. The "get-rich-quick" element which provided at least half the books in the ring last winter will be missing at the coming meeting.

NOTES OF THE TURF.

Mose Goldblatt has sold the broken-down mare Brief to George Hendrie for \$200. Brief will be sent to the stud, and will probably be bred to Loyalist.

Charles Oxx has sold his single bread winner Ascension to Charles F. Fox. The price was not made public.

"Winnie" O'Connor, the American jockey, has left Paris for the United States. He will return next year and wear the colors of the Rothschilds.

J. V. Shipp, of Midway, Ky., has sold to W. L. Lansing, of Harrodsburg, the two-year-old chestnut gelding, Prince Rupert, by Victory—Fleeda B., by Billet, for \$1,000.

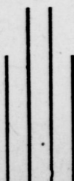

Milton Young, of McGrathiana Stud, has sold to W. L. Lansing, for a private price the bay yearling filly by Mirthful—Jennie J., by Hanover.
